001 General Information

001.01 Statutory Authority. Section 79-318(5)(c) of the Revised Statutes of Nebraska (R.R.S.), authorizes the Department to establish rules and regulations which govern procedures and standards for private, denominational, and parochial schools which elect, pursuant to procedures prescribed in subsections (2) to (4) of Section 79-1601 R.R.S., not to meet all state accreditation or approval requirements.

001.02 Scope. This Chapter provides rules and regulations governing the procedures for exemption of schools from state approval and accreditation requirements when such schools elect, pursuant to Section 79-1601 R.R.S., not to meet those requirements because they would violate the sincerely held religious beliefs of the parents or legal guardians. This Chapter only applies to such exempt schools and is not applicable to schools which are approved or accredited pursuant to Chapters 14 and 10 of Title 92 of the Nebraska Administrative Code. Schools exempted from the approval and accreditation requirements of Chapters 14 and 10 pursuant to this Chapter shall not be considered either approved or accredited by the Department, nor shall they be entitled to any of the benefits, privileges, or services accorded or provided to approved or accredited schools by the Department.

001.03 Related Regulations. Chapter 12 of Title 92 of the Nebraska Administrative Code governs the procedures for exemption of schools from state approval and accreditation requirements when such schools elect, pursuant to Section 79-1601 R.R.S., not to meet those requirements because they would interfere with the decisions of the parents or legal guardians in directing their child's education.

001.04 Exempt Schools Serving Students Under Both Chapters 12 and 13. An exempt school may have one or more students in attendance under Chapter 12 while one or more attend under this Chapter. In such cases, the parents or guardians filing under each Chapter may have separate parent representatives for each Chapter or may have one person act as a parent representative for both groups of parents or guardians and make separate filings under each Chapter.

002 Definitions. As used in this Chapter:

002.01 Commissioner shall mean the State Commissioner of Education, whose mailing address for purposes of this Chapter is P.O. Box 94987, Lincoln, NE 68509.

002.02 Exempt school shall mean a school which has elected not to meet approval or accreditation requirements and has complied with this Chapter or Chapter 12 and state law relating to such exemption.

002.03 Mandatory Attendance Age

002.03A Prior to July 1, 2005, shall mean a child that (i) has reached seven (7) years of age, (ii) did not reach sixteen (16) years of age prior to July 16, 2004, and (iii) has not reached eighteen (18) years of age.

002.03B On and after July 1, 2005, shall mean a child that (i) will reach six (6) years of age prior to January 1 of the then-current school year, (ii) did not reach sixteen (16) years of age prior to July 16, 2004, and (iii) has not reached eighteen (18) years of age. A child that will reach six (6) years of age prior to January 1 of the then-current school year need not be enrolled in a public, private, denominational or parochial day school or a school that has elected under this Chapter or Chapter 12 not to meet accreditation or approval requirements when the provisions in Section 011 of this Chapter are met.

002.04 School year shall mean, for the purposes of this Chapter, the period of instruction between July 1 and the following June 30.

003 Statements of Objections and Assurances

003.01 Parent or Guardian Statement. To elect under this Chapter not to meet state approval or accreditation standards and to obtain exemption from provisions of compulsory attendance requirements relating to attendance at a state approved or accredited school, each of the parents or guardians of the children who will attend the exempt school and who are of mandatory attendance age must sign a separate Statement of Objection and Assurances, a copy of which is attached as Form A, in the presence of and acknowledged by a notary public upon oath or affirmation.

003.01A Single Parent If the filer is a single parent, that parent must complete a Form A and provide sole custody verification. A parent claiming to be a single parent is representing that he or she alone is responsible for making the decisions concerning the educational placement of the child(ren). Sole custody verification includes (but is not limited to): an order of a court of law having proper jurisdiction providing that the filing parent has sole custody of the child(ren), a birth certificate that lists only the filing parent as the parent, or a death certificate if one of the parents is deceased.

TITLE 92 - NEBRASKA DEPARTMENT OF EDUCATION
CHAPTER 13 - EXEMPT SCHOOLS (ELECTION FOR RELIGIOUS REASONS)

003.01B Legal Guardian(s) If the filer is the legal guardian(s), a copy of the documentation lawfully appointing the filer(s) as guardian(s) must be submitted with the completed Form A(s).

003.02 Parent Representative Filings. The parents or guardians of the children who attend or will attend the exempt school shall designate a parent representative who shall do the following:

003.02A Thirty days prior to the date on which the exempt school is to begin operation, and annually thereafter by August 1, the parent representative will file a statement containing the names and ages of all children in the school and the names of their parents or guardians, and containing assurances regarding submission of information on enrollment and attendance, signed in the presence of and acknowledged by a notary public upon oath or affirmation. A copy of this statement is attached as Form B, which must be accompanied by a parent or guardian's statement (Form A) signed by each parent or guardian of all children who are to attend the exempt school.

003.02B If, at any time during the school year, new children enroll in the exempt school, the parent representative shall submit to the Commissioner an additional Form A statement for each new parent or guardian.

003.02C If, at any time during the school year, children withdraw from the exempt school, the parent representative shall promptly inform the Commissioner of such change in writing. See also Section 010.

003.02D If the parent representative changes at any time during the school year, the parents or guardians shall designate a new parent representative who shall promptly submit a new Form B.

004 Information Summary. Prior to the date that the exempt school begins operation, and annually thereafter by August 1, the parent representative will submit to the Commissioner the following:

004.01 A calendar for the school year indicating a minimum instruction of 1,080 hours in secondary schools and 1,032 hours in elementary schools. During the first year of operation, the days of instruction may be prorated based upon the remaining balance of the school year.

004.02 A list of the names of all instructional monitors in the exempt school, which shall also include for each their address, age, highest level of education completed,

TITLE 92 - NEBRASKA DEPARTMENT OF EDUCATION
CHAPTER 13 - EXEMPT SCHOOLS (ELECTION FOR RELIGIOUS REASONS)

names of educational institutions attended and the specific years attended, and summary of prior teaching or monitoring experience. If any new monitors are added during the school year, the same information for such persons shall be promptly submitted in writing to the Commissioner. If any monitors leave during the school year, this shall also be promptly submitted in writing to the Commissioner. At the option of the parent representative, a score on the National Teachers Examination may also be submitted for any monitor in addition to the above information.

004.03 A chart or written summary showing the scope and sequence of the sequential program of instruction designed to lead to basic skills in the language arts, mathematics, science, social studies, and health, which shall include a list of all classes or courses and the names of the monitors who are responsible for instructing or monitoring those classes or courses. This chart or summary shall show the grade levels being included in the exempt school.

005 Letter of Acknowledgment. Upon receipt of the Form A signed by all parents or guardians, Form B signed by the authorized parent representative, and the information required in 004, the Commissioner will direct that a letter acknowledging such receipt be sent to the authorized parent representative and reported to the school district where the child resides.

006 Failure to Provide Information or Meet Requirements. Failure of the parent representative to provide the information required by this Chapter within the time limits described above, or failure to meet any of the other requirements of this Chapter, will cause the Department to notify the school district in which the child resides that the school has not met the requirements of this Chapter and therefore shall not be deemed an exempt school for purposes of 79-201 R.R.S., which may subject the parents or guardians to prosecution thereunder or under any other statutes relating to habitual truancy.

007 Exempt School Visits. When the Department, in order to verify information submitted pursuant to this Chapter, deems it necessary to visit the exempt school, Department officials or their designees shall contact the parent representative and a time for the visit shall be mutually established. Denial of access for this purpose, so long as pursued in this manner, shall be cause for the Department to determine that the exempt school is not meeting requirements relating to the sequential program of instruction designed to lead to basic skills in the language arts, mathematics, science, social studies, and health. Therefore, it shall not be deemed an exempt school and the procedure in 006 above will be initiated.

TITLE 92 - NEBRASKA DEPARTMENT OF EDUCATION
CHAPTER 13 - EXEMPT SCHOOLS (ELECTION FOR RELIGIOUS REASONS)

008 Student Testing. When the Department, in order to verify information submitted pursuant to this Chapter deems it necessary to have conducted regular achievement testing of students attending the school, Department officials shall contact the parent representative and a test, a time, and a procedure shall be mutually designated and established. Denial of student testing for this purpose, so long as pursued in this manner, shall be cause for the Department to determine that the exempt school is not meeting requirements relating to the sequential program of instruction designed to lead to basic skills in the language arts, mathematics, science, social studies, and health.

Therefore, it shall not be deemed an exempt school and the procedure in 006 above will be initiated.

009 Birth Certificate. Pursuant to Section 43-2007(3) R.R.S. (part of the Missing Children Identification Act), the parent or guardian of a child who is receiving his or her education in a home school subject to sections 79-1601 to 79-1607 shall, not later than October 1 of the first year of the child's attendance at the home school, provide to the Commissioner of Education either (a) a certified copy of the child's birth certificate or (b) other reliable proof of the child's identity and age accompanied by an affidavit explaining the inability to produce a copy of the birth certificate. Upon failure of the parent or guardian to comply, the Commissioner of Education shall notify such parent or guardian in writing that unless he or she complies within ten days the matter shall be referred to the local law enforcement agency for investigation. If compliance is not obtained within such ten-day period, the Commissioner shall immediately report such matter.

010 Discontinuing Enrollment at the Exempt School. For a child who is of mandatory attendance, attendance at the exempt school may be discontinued in the following two cases:

010.01 If the child has reached the age of 16 and is below age 18 and the parents or guardians wish to discontinue the enrollment of the child, the parents or guardians shall sign a separate "Parent or Guardian Form to Discontinue Enrollment at Exempt School" attached as Form C, in the presence of and acknowledged by a notary public upon oath or affirmation.

010.01A Single Parent. If the filer is a single parent, that parent must complete a Form C and provide sole custody verification. A parent claiming to be a single parent is representing that he or she alone is responsible for making the decisions concerning the educational placement of the child. Sole

custody verification includes (but is not limited to): an order of a court of law having proper jurisdiction providing that the filing parent has sole custody of the child, a birth certificate that lists only the filing parent as the parent, or a death certificate if one of the parents is deceased.

010.01B Legal Guardian(s). If the filer is the legal guardian(s), a copy of the documentation lawfully appointing the filer(s) as guardian(s) must be submitted with the completed Form C(s).

010.02 If the child is below 18 and has completed the program of instruction offered by the exempt school, the parents or guardians shall sign a separate "Parent or Guardian Form to Report Completion of Program" attached as Form D, in the presence of and acknowledged by a notary public upon oath or affirmation.

010.02A Single Parent. If the filer is a single parent, that parent must complete a Form D and provide sole custody verification. A parent claiming to be a single parent is representing that he or she alone is responsible for making the decisions concerning the educational placement of the child.
